

## **7<sup>th</sup> annual "Cruise to the Country"**

### **Car show and Spaghetti Dinner**

The Knights of Columbus are in the final stages of planning our 7<sup>th</sup> annual car show and spaghetti dinner. We are asking you today for your continued support for our largest fund raising event. We are raising funds to install a handicap accessible ladies restroom adjacent to the cafeteria which will enhance our ability to rent our facility by being entirely handicap accessible. This benefits our entire parish by being able to generate income through renting our cafeteria to help defray our expenses in maintaining our facility.

We invite everyone in the parish to come to the car show and enjoy the automobiles on display, but most important to come and enjoy a great dinner, HUGE Chinese auction, bake sale, 50/50 raffle, live music, t-shirt sales, and the fellowship of your friends and neighbors. Carry out meals will be available.

The car show and dinner is Saturday , August 11, 2018 from 4PM until 8PM.

Again we ask for your support by attending our dinner so we can raise the funds necessary to accomplish this task for the benefit of the whole parish.

Thank you and God Bless.

St. Boniface Knights of Columbus
