ST. MARY MAGDALENE COLUMBARIUM

Our Mission

Christ promised that he has gone before us to prepare a place for us that where he is we also may be. Mount of Olives Cemetery witnesses to our faith in that promise by offering a sacred place for our deceased loved ones to rest and for their families to prayerfully remember them until that day when we are all reunited in Christ.

An increasing number of families today choose cremation as their preferred way of laying a loved one to rest. In response to this growing need, Mount of Olives Cemetery is pleased to introduce our new St. Mary Magdalene columbarium.

A Columbarium

We believe in the resurrection of the body. As an affirmation of that faith, we treat the bodies of our deceased loved ones with special reverence, including burial in a sacred place. We affirm the same faith by interring the cremated remains of a loved one in a sacred place. A columbarium is a monument reserved for the interment of cremated remains.

"I am indeed going to prepare a place for you, and then I shall come back to take you with me, that where I am you also may be."
John 14:3

Niches

The niches in which cremated remains are interred in our columbarium are 11.5" L x 10.5" w x 10.5" H. Our columbarium houses 32 single niches, in which one person's remains may be interred, and 32 double niches, in which two person's remains may be interred.
