Our Mission

Do not let your hearts be troubled. Have faith in God and faith in me. In my Father's house there are many dwelling places; otherwise how could I have told you that I was going to prepare a place for you? I am indeed going to prepare a place for you, and then I shall come back and take you with me that where I am you also may be ~ John 14:1-3

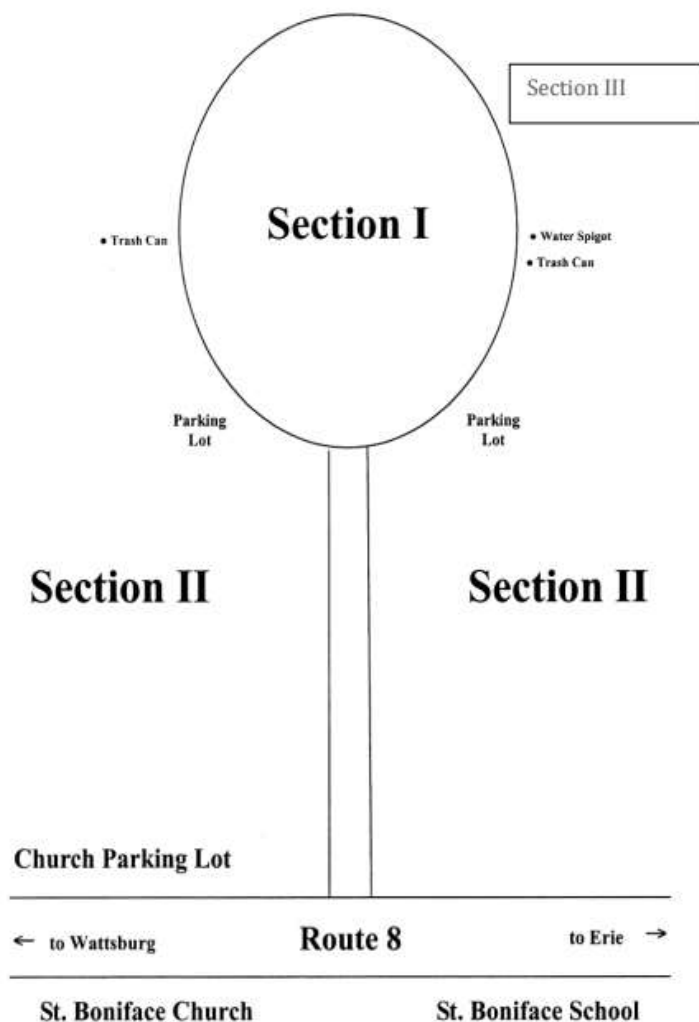

St. Boniface Parish strives to sow and to nurture the seeds of God's saving love in the hearts of all our neighbors and beyond by living the Gospel. The death of a loved one is a painful experience that can challenge our faith in God's love. The care of our brothers and sisters in Christ reassures us that God has not abandoned us and that his saving love endures even beyond the grave, where Christ awaits us to take us home.

The mission of Mount of Olives Cemetery is to provide that care to those who have died and to their families. We do this by offering the following:

- Affordable cemetery plots
- Respectful bodily burial and interment of cremains
- Dutiful maintenance of cemetery grounds
- Sacred environment for prayer and remembrance

Christ has promised that he has gone before us to prepare a place for us, that where he is we also may be. Mount of Olives Cemetery witnesses to our faith in that promise by offering a sacred place for our deceased loved ones to rest and for their families to prayerfully remember them until that day when we are all reunited in Christ.
