

SISTERS OF St. JOSEPH NEIGHBORHOOD NETWORK
recently contacted St. Boniface Parish.

The Neighborhood Network is stocking a pantry where they can provide a bag with enough food for 3 or 4 meals. The purpose of this food bag is to help the family temporarily.

We are fulfilling our parish mission when we reach beyond our local community.

St. Boniface is being asked to supply canned meats: tuna fish, chicken, and spam. (Useless information, I remember eating spam growing up.) Outreach is asking our parishioners to donate one or two canned meat containers.

Tubs will be available at the church entrance starting September 26, 2026, and continuing through October 4, 2026.

ENCOUNTERING JESUS' HEART IS ONE THING BUT LIVING
IN RESPONSE TO HIS LOVE CHANGES EVERYTHING.
