

A Blessing of the Animals will be performed at St. Boniface on:

October 5th at 12:00 PM

In front of the church steps.

Please be sure that your pets are leashed, caged or held securely to receive the blessing.

All animals are welcome!

The blessing of animals is a celebration of the feast day of Francis of Assisi on October 4th. Franciscan tradition holds that all of creation is an expression of God's love for us and that our beloved pets are part of this love. Come and celebrate this blessing of nature and all of creation!
